📍 Addis Ababa, Ethiopia

SUMMARY

I'm a highly motivated software engineering student, eager to learn and develop my skills through an internship in dynamic software development. I'm keen on applying theoretical studies from the university to real-world projects and collaborating on cutting-edge solutions. Additionally, I'm actively practicing web development, specializing in CSS, HTML, and JavaScript.

EDUCATION

Undergraduate student in software engineering

Adama Science & Technology University

📅 2021 - Present   📍 Adama, Ethiopia
